

# PLATFORMS

## WEBSITE

[www.jaihindenterprises.co.in](http://www.jaihindenterprises.co.in)

Our Website allows Customers to Track Shipments in real time and submit Loads easily, ensuring quick communication and Transparent Logistics Support.

## MOBILE APP

### Jai Hind Logistics App

Our mobile app provides a smart and integrated platform where both customers and suppliers can log in easily. Customers can post their loads, while suppliers can search available loads, place bids, and track shipments in real time, ensuring fast, transparent, and efficient logistics coordination.
